

To ensure system security and compliance, OnCore training is required to establish a user account. All OnCore online and in-person trainings are available for registration through the UC Learning website:
<https://learningcenter.ucsfmedicalcenter.org>.

Please log in to the UC Learning website and view the “OnCore: Introduction” video, which will provide you with more information on the OnCore environment, the types of access you can request, and a link to the OnCore Access Request survey. You will need your UCSF Employee ID (EID) to log in to the UC Learning website; you can retrieve your EID at <http://help.ucsf.edu/HelpWebApps/EmailHelper/EmailHelper.jsp>.

For more information on the types of access available, see the chart below. Please note, some users may require more than one type of access role.

Access Role	Description	Training Requirements*	Time
Protocol Manager (PM/GCRA)	<ul style="list-style-type: none"> Create new protocols Approve study calendars View coverage analysis Required for initiating coverage analysis	<i>OnCore Introduction</i> <i>OnCore Protocol Creation (non-Cancer Center)</i> <i>OnCore ePRMS (Cancer Center)</i> <i>OnCore Calendar Review & Sign-Off</i> <i>OnCore Coverage Analysis</i>	15 min 20 min 15 min 5 min 5 min
Clinical Research Coordinator (CRA)	<ul style="list-style-type: none"> Enroll subjects Enter/edit patient information and eCRF data View coverage analysis 	OnCore Subject Management (in-person only) NOTE: Only for staff entering patient data. Consult with your study team to see if this applies to you.	120 min
Investigator (INV)	<ul style="list-style-type: none"> View protocol records View subject/patient data View coverage analysis 	<i>OnCore Introduction</i> <i>OnCore Coverage Analysis</i> <i>OnCore Data Export & Reports</i>	15 min 5 min 5 min
